JEANCARLO RICARDO

Web Developer & UI Designer

Cambridge, ON, Canada • jeancarlo.vq@hotmail.com • jeancarlodev.com • LinkedIn • github.com/jeanvq

PROFESSIONAL SUMMARY

Emerging Web Developer and UI Designer with a unique background that blends technical training at triOS College with real-world experience in high-pressure, precision-driven environments. Fluent in HTML5, CSS3/Flexbox/Grid, JavaScript, PHP, SQL, and React, with a growing focus on front-end architecture and intuitive design. Built 10+ projects spanning interactive web apps, responsive landing pages, UI prototypes, and API integrations. Bilingual (English/Spanish) with strong communication and problem-solving skills — actively seeking a co-op or junior developer role.

TECHNICAL SKILLS

- HTML5, CSS3, Flexbox, CSS Grid
- JavaScript (ES6+), PHP, SQL
- React (learning), Angular, Swift (UI/UX)
- Git, GitHub, GitHub Pages, VS Code
- Adobe XD, Figma, Illustrator
- XAMPP, phpMyAdmin, REST APIs

PROJECTS

ArcByte — Corporate Website *React · Modern UI · Responsive*

- Designed and developed a complete corporate site for a fictional tech company featuring modern layout, responsive design, and interactive UI elements.
- Demonstrates component-based architecture and clean visual hierarchy using React.

SportsPro Web App *PHP · MySQL · CRUD · XAMPP*

- Built a full CRUD application to manage products and technicians with a relational MySQL database.
- Integrated phpMyAdmin for database management and handled end-to-end debugging in XAMPP.

HolyVerse — Interactive Bible Explorer *JavaScript · HTML/CSS · Bilingual*

- Created a bilingual (English/Spanish) interactive web experience to navigate Bible content with a clean, modern interface.
- Focused on accessibility and intuitive UX for multilingual users.

Star Wars API Explorer *JavaScript · SWAPI · Interactive*

- Built an immersive experience fetching live data from the SWAPI to display character profiles, planets, and starships.
- Practiced asynchronous JavaScript, REST API consumption, and dynamic DOM manipulation.

UEFA Tournament Dashboard *HTML · CSS · JavaScript · Data Viz*

- Developed an interactive dashboard visualizing tournament statistics, team profiles, and match results.
- Emphasized responsive layout and data-driven UI with real-time-style visualization.

Portfolio Website — jeancarlodev.com *HTML · CSS · JavaScript · UI/UX*

- Designed and deployed a fully responsive personal portfolio with a mobile-first approach, clean typography, and modern aesthetics.
- Includes 10+ projects with live demos and GitHub links.

WORK EXPERIENCE

Precision Welder | *2023 – Present*

Tigercat Industries — Cambridge, Ontario

- Maintained strict tolerances and quality standards in a fast-paced manufacturing environment — the same attention to detail applied in writing clean, bug-free code.
- Collaborated with cross-functional teams under deadline pressure, building adaptability and focus transferable to agile development workflows.

Sales Advisor / English Instructor | *2019 – 2022*

English Institute — Colombia

- Delivered tailored solutions for 30+ clients monthly, developing empathy-driven communication skills that directly inform user-centered UI/UX decisions.
- Conducted bilingual (English/Spanish) instruction, strengthening cross-cultural communication and the ability to translate technical concepts for non-technical audiences.

EDUCATION

Web Development Diploma | *Expected 2027*

triOS College — Cambridge, Ontario

- Core curriculum: HTML/CSS, JavaScript, PHP, SQL, Angular, UI/UX Design, Responsive Web Development
- Hands-on project-based learning with emphasis on real-world application development

ADDITIONAL

- **Languages:** Bilingual:
- Fluent English and Spanish — effective in diverse team and client environments
- Availability: Open to co-op placements, junior roles, and remote internships
- WhatsApp / quick contact: +1 (519) 574-1841
